DIAGNOS signs agreement with Global Strategic Alliance, representative of Canada Export Center, to cover Gulf Region

Brossard, Quebec, Canada – February 1st, 2011 - DIAGNOS inc. (“DIAGNOS” or “the Corporation”) (TSX Venture: ADK), a leader in the use of artificial intelligence and advanced knowledge extraction techniques, announced today the signature of an agreement with Global Strategic Alliance (GSA) to assist in identifying new opportunities in the Gulf Region.

“GSA is a representative of Canada Export Center (CEC) based in Dubai and its mission is to connect buyers and sellers of products and services with the primary objective of generating sales. GSA and CEC highly trained team of professionals, customized services and business development tools, help establish trade relationships which often results in multi-year sales and business development arrangements” said Mark Mensing, CEO of CEC.

“We are pleased to be working in collaboration with GSA and CEC. We need local representation in different countries and we understand the importance of having local providers. Our UAE and other Gulf Region prospects and clients will now have access to a Dubai based group of professionals to provide Services and Customer Care. Understanding local culture and needs, is essential to sustain long term success in the Gulf Region,” said Anthony Siregar, Vice-President – Business Development, Gulf Region & Asia Pacific.

About DIAGNOS

Founded in 1998, DIAGNOS is a publicly traded Canadian corporation with a mission to commercialize technologies combining contextual imaging and traditional data mining thereby improving decision making processes. DIAGNOS offers products, services, and solutions to clients in a variety of fields including natural resources, healthcare, and entertainment.
