### **DIAGNOS ANNOUNCES THE CLOSING OF \$752,000 PRIVATE PLACEMENT**

MONTREAL, CANADA – October 25, 2002 – DIAGNOS Inc. (“**DIAGNOS**” or the "**Corporation**") (ADK – TSX-VEN) today announced that it completed the private placement of 3,957,895 units for a gross process of \$752,000. Each unit is comprised of one common share and one purchase warrants entitling its holder to acquire one common share at any until 24 months following the initial closing date. The securities issued are subject to a 4-month hold period.

The private placement was approved by the TSX Venture Exchange on September 16, 2002 and closed October 25, 2002, following receipt of all required regulatory approvals.

The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
